USER'S RESPONSIBILITY

Rainwater supplied by BRAE Complete Rainwater Harvesting Systems is NON-Potable water. Warning! Do Not Drink Water supplied from BRAE Rainwater Systems and related equipment. We are pleased to offer suggestions on the use of our various products either by way of printed material or through direct contact with BRAE sales/applications team members. However, since we have no control over the use of our products once they are shipped, NO WARRANTY WHETHER OF MERCHANTABILITY, FITNESS FOR PURPOSE, OR OTHERWISE is made beyond the repair, replacement, or refund of purchase price at the sole discretion of BRAE. Users shall determine the suitability of the product for the intended application before using, and the users assume all risk and liability whatsoever in connection therewith, regardless of any team member's suggestions or statements as to application or construction. In no event shall BRAE's liability, in law or otherwise, be in excess of the purchase price of the product. Consult local building codes for system use.
