Building Permit No. _____

Property Owners' Association Information

You are strongly urged to obtain approval from the appropriate property owners' association before you apply for a building permit and begin construction. Failure to do so could result in legal action by the association to enforce the covenants. Your signature below indicates that you understand that the Town of Duck does not enforce or consider the effect of neighborhood covenants when reviewing building permits and that building plans may be affected by and subject to subdivision covenants and community architectural control review.
