

“KEEP OUR BEACHES BEAUTIFUL AND SAFE.”

- Remove all personal items daily, including tents.
- Attend to and refill beach holes.
- Place all beach items at least 15 feet away from the base of the dune to allow for emergency access.
- Beach fires and fireworks are not permitted.
- See lifeguards for rip current safety.
- Utilize designated beach accesses.
- Protect our dunes by not walking, digging on, or climbing them.
- Report stranded sea life or sea turtle nests to the lifeguards.
- Shipwrecks are part of our area's history and should be reported but not be disturbed.
- All trash should be disposed of properly, including pet waste.
- Remember, by working together we can keep our beaches beautiful and safe.
